

ALLOWAY COUNTY FAMILY & CONSUMER SCIENCE

NEWSLETTER

may 2023

Hello everyone! This is my first newsletter as your FCS agent, and I am so happy to be here. I have been attending many training courses and am looking for suggestions for lessons you would like to see presented. I will be scheduling a canning class in mid-June and more to come if there is a need. The KEHA convention is May 8-11 and I will be attending along with Alison Geurin and Judy Stahler. We have 12 creative arts entries and I know our members will be very competitive at the state level. Good luck to those members! The Spring into Green event will be awesome so please plan on attending. Stop in and say hi if we haven't met. It's going to be an exciting spring and summer.
